- Anacortes/Sidney, BC**  
No service operated to Sidney, BC.
- Fauntleroy/Vashon/Southworth**  
Fewer sailings on weekends.

### Understanding Our Schedule

Times are in **color** for morning or late night (a.m.) departures, and in **black** for afternoon/evening (p.m.) departures. Times listed are departure times unless otherwise noted. The schedule begins with the first sailing time for that day and ends with the last sailing time, which may be past midnight and technically on the following day.

**Please pay special attention to annotations next to a sailing time.**

### Holiday Schedules

Regular weekday service will be operated on both *Martin Luther King, Jr. Day*, Monday, January 15; and *Presidents Day*, Monday, February 19.

Extra service may be provided for holiday or special event traffic on any of our routes. Please watch for notices on the vessels or at the terminals or contact us via the information on the back panel of this schedule.

### Loading

Vehicles should be in line at least 20 minutes prior to scheduled departure time and are loaded in order of arrival with a few

exceptions. Heavy traffic may require earlier arrival. For reservation routes, refer to your confirmation for the required arrival time. On some routes, expect to move your vehicle while waiting in line.

Walk-on passengers should plan to be on board at least five minutes prior to scheduled departure time, except where noted. Security requirements dictate that once loading has begun, the captain's permission is required to disembark the vessel.

Washington State Ferries is part of the state highway system; therefore, using a cell phone while driving on or off the ferry is prohibited by law. WSF is a participant in the WSDOT HERO program. Line cutters into ferry queues may be reported at 877-764-HERO (4376).

Vehicles that are over 7'2" in height or over 22' in length, including those with tall antennas, may be loaded out of sequence. Vehicles without 12" of clearance from the ground may not be loaded.

Bicyclists and persons carrying kayaks or canoes should wait near the front of the loading area, since they normally load first. Crews will direct passengers on placement of kayaks and canoes.

Once on board, secure bikes in the location provided. When leaving the vessel, please watch for and stay out of the way of vehicles. Shoes with metal sports cleats are not permitted in passenger areas.

Only service animals are allowed in terminal buildings or interior cabin spaces, except for pets in a carrier. However, pets are permitted on the exposed upper decks of vessels on some routes. Ask terminal staff for loading procedures, as vessels and terminals vary.

### Fares

Passenger fares are round trip, with the exception of the Port Townsend/Coupeville route and sailings to/from Sidney, BC. Most vehicle fares are one-way with the exception of the San Juan Islands and Vashon Island routes, which are round-trip fares. Vehicle fares are based on a vehicle's length, height, and width, as well as the distance traveled on board the ferry. Please refer to the *Passenger and Vehicle Fares* brochure or contact us via the information on the back panel of this schedule for details.

You can pre-purchase your ferry ticket by going to our website. Cash, travelers checks and major credit cards are accepted. A receipt

will be issued for all sales. If a receipt is not issued, or if there is a discrepancy, please call 206-515-3482, or send a description to the address on the back cover of this schedule.

We offer seniors, persons with disabilities and passengers with a Medicare card or other eligibility verification travel at half the regular passenger fare. We also offer special rates for youth 6 through 18 years of age. Children 5 and under travel for free.

### Safety & Security

Security regulations state that all passengers and vehicles are subject to possible security screening. Please turn off your vehicle in holding lanes; vehicle emissions can be harmful to the environment and other customers.

Hazardous materials are not allowed aboard a state ferry on scheduled passenger trips except those in compliance with federal law. Prohibited items include explosive or incendiary devices, chemical, biological, radiological agents or devices, unlawful or illegally-possessioned firearms, and illegal fireworks.

Gasoline may be transported in portable containers, not to exceed six gallons maximum per container, up to 12 gallons total. Containers must be UL-approved and in good condition. All vehicles must have gas caps.

Regulations require that you shut off and tag all propane tanks prior to boarding,

unless they are the primary fuel source for your vehicle. A limited number of portable propane tanks may be carried in a vehicle in addition to those installed in recreational vehicles. The total amount of propane shall not exceed 100 pounds (water-weight equivalent). All propane tanks must be secured and transported in a vehicle.

Transporting a combination of gasoline containers and propane tanks is limited to 12 gallons combined for both fuels.

Vehicle engines must be turned off while the vessel is underway. Do not restart your car until directed to do so by a crew member. Smoking and e-cigarettes are not allowed on WSF vessels. All smoking materials must be extinguished before boarding the vessel. No smoking is allowed within 25 feet of the entry to ferry terminal buildings.

Security regulations require that all passengers and vehicles are subject to possible security screening.

### Americans With Disabilities Act

For medical preferential loading or to obtain this schedule in alternate format, contact us via the information on the back panel of

this schedule. **Please let us know at the tollbooth if you need elevator access to allow us to load your vehicle appropriately.**

WSDOT will modify its policies, practices, and procedures to ensure individuals with disabilities have an equal opportunity to participate in its programs, services, or activities unless the modification fundamentally alters the program, service, or activity, creates a safety issue, or is not otherwise required by the ADA. Requests for modification can be made to any WSDOT employee or at [wsdotada@wsdot.wa.gov](mailto:wsdotada@wsdot.wa.gov) or by calling toll free 855-362-4ADA (4232).
